Purpose:

This policy clarifies which documents the PEBB Program considers valid for dependent verification and identifies which accounts are automatically included in the dependent verification process. Although some subscriber accounts are not included in the automated process, the PEBB Program reserves the right to request documents from any and all subscribers in order to verify a dependent's eligibility.

Policy:

1. The PEBB Program requires all subscribers to provide documentation which verifies a person's relationship to the subscriber before enrolling the person as a dependent under their PEBB insurance coverage except as indicated in sections 2 and 3 of this policy.
2. The following subscriber accounts are excluded from the general dependent verification process except when the subscriber is requesting enrollment of a partner where eligibility is established through a domestic partner registry or a legal union:
 - a. COBRA subscriber accounts;

- b. Leave Without Pay (LWOP) subscriber accounts; and
 - c. Medicare Retiree subscriber accounts.
3. Extended dependents are certified through the process described in Policy 37-1 for PEBB eligibility.
